

Wisconsin Custom Manure Applicators

Prepared 10/2009 by the UW Extension Environmental Resources Center (ERC) and the Professional Nutrient Applicators Association of Wisconsin.

The listing of a firm (or lack thereof) does not constitute an endorsement (or lack thereof) by UW-Extension or PNAAW, and we do not guarantee the accuracy of any information herein. If you wish to have your firm added to the list or to correct an error, please contact Kevin Erb at 920.391.4652, fax 920.391.4617, or email to: kevin.erb@ces.uwex.edu. A * denotes that the firm is confirmed in business, but we were unable to confirm equipment for 2009. A semi listed as “transfer” feeds a tanker, dragline or frac tank in the field. A semi listed as “application” does land application. This list is intended for private farmer use and is not for solicitation purposes. For information on the Professional Applicators and a list of Certified Applicators, visit www.wimanuremgt.org
