GRANT APPLICATION GUIDELINES

Thank you for your interest in applying for a Sheboygan County 4-H Endowment Fund Grant.

The Fund was established in 1994 to provide long-range support for the Sheboygan County 4-H Program, beyond the current operating expenses of the 4-H Leaders Association. Only the interest earned will be used to fund innovative and educational programs that support the strengthening and expanding of the 4-H program in Sheboygan County.

The 4-H Endowment Committee invites grant proposals from 4-H clubs, committees, leaders, and members. Possible areas of support might include new, creative and collaborative programs, work with minorities and under-served youth, and urban programs. The Grant is only for the Sheboygan County 4-H program not individual members or clubs.

Examples of past projects funded: *County-wide Shoe-Collection for needy, supporting project area programs, Community Bike Safety Day, Implementing Multi-County Cat Show.*

Examples of items not funded: *updates to personal property, project asset purchases, general operating expenses, individual or club projects*

Please pay close attention to the Granting Cycle. If you have any questions, please contact the UW-Extension office at 920-459-5903.
