

## Points to Remember

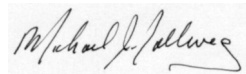

Please return the registration form at least 10 business days before the class you wish to attend.

Plan to stop by the Extension Office and pick-up the manual if possible. (We must have payment in hand.)

**The completed “Training Registration Form” inside the front cover of your manual is your ticket into the training program. Please remember to bring your photo ID.**

This is an open-book test and you will be able to use the manual during the exam.
