1. **Knitting (grades 3 and up):** Don't be sheepish! Join us and we will learn to cast on, knit and purl. We will be providing you needles and cotton yarn and get you started on knitting your own washcloth. More experienced knitters also welcome, bring your project and your

questions, we're here to help!

2. **Copper Jewelry (grades 3 and up):** Transform copper wire into a beautiful bracelet with a few simple tools. Be sure to register in Arts/Celebrate Arts to show this creation off at the fair!

3. **Floral Arrangement:** Learn how to design beautiful floral arrangements with silk flowers.

4. **Beaded Jewelry (grades 3 and up):** Learn the basics of making attractive, fun and personal jewelry! You'll work with beads, wires, and "findings" to create your own look for earrings, necklace or bracelet. Then you'll learn the tools and techniques needed to complete your project and have it to wear!

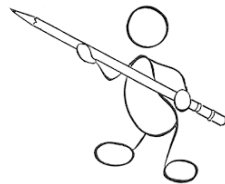

5. **Iris Folding:** This is a twist on iris paper folding using ribbon to form a design. The center of the design forms an iris—a shape reminiscent of the iris diaphragm of a camera lens.

6. **Dog Treat Jar:** We will use a few simple items like a mason jar, a couple of hooks and maybe a little paint to make a treat and leash holder to hang on your wall. Wear a paint shirt!

7. **Cartoon Drawing:** Do you like to doodle or draw? This introductory cartoon art class will teach kids of all ages how to use certain images and shapes to create their own cartoon(s). Students will learn simple techniques to create their own images. The class includes lessons on creating cartoon characters and each student will create their own cartoon strip.

8. **Fun With Food:** Playing with food... sign me up! Who knew food could be so colorful, fun and delicious?!? We are going to be focusing on the colors and your senses. This session will be more geared for youth 3rd grade and under.

9. **Nature Creations:** Combine nature items such as rocks and twigs along with your imagination to create landscapes and nature creatures!

10. **Here Fishy Fishy!** : Want to learn how to tie knots for fishing and set up your pole? How about net fishing and casting? Join the fishing project and learn all of these things plus learn about the habitats and classification of fish!

11. **Horse Treats and Rhythm Beads:** Let's make some delicious treats for your horse. We will be making a no bake treat and provide some recipes for horse treats you can make at home. After making a treat for your horse let's make rhythm beads for you to use while you ride.

12. **String Art (grades 3 and up):** Horse friends we will have two designs to choose from as we make horse string art. You will be given a pattern that needs to be hammered into a piece of wood, you will then take the string and wrap it around from nail to nail to make your design pop.

13. **Zentangle: (grades 3 and up):** Come and learn a never-fail art project! It is abstract drawing created with a pen. You will learn a method of creating beautiful images from repetitive patterns. Learn an enjoyable and uplifting art form to make a project for the fair. Whether you are a beginner or an advanced artist, you will love this

14. **Slime Time:** Learn how to make ooey, gooey, squishy slime. Play with it yourself, or use it as a fun activity the next time you babysit!
