

TO ALL CLUBS GENERAL LEADERS

AVAILABLE GRANT MONEY FOR YOUR MEMBERS.

The Sheboygan County 4-H Alumni has grant money available for youth needing some financial support that want to attend out of county, state or national trips or events.

This grant was made from gifted monies from a donor who wanted to help kids go places but could not because of the family financial hardship.

Example: American Spirit trip, CWF, 4-H camp, Drama Company, etc.

We would like leaders or parents comment on the needs for the event. (Example: family of 5 or with other help from 4-H sources & the alumni my child can have the opportunity to see Washington, or go on the American Spirit trip.)

Our guide lines are as follows:

4-H Camp: up to \$50

4-H Conference – Madison: up to \$75

Trips/events under \$1000: up to \$150

Trips/events over \$1000: up to \$300

These are just guidelines and the board will have the final say on amounts awarded.

All information will be handled confidentially.

All money for trips & events will be paid to the Leaders Association and not the individuals.

The 4-H Alumni would like to help as many 4-H members make great memories in 4-H.

Thank You;

Sheboygan County 4-H Alumni Association Board
