## Building Expansion Campaign

**Out of space that is! We need YOUR support to help us raise funds to expand the Sheboygan County Poultry and Rabbit Barn.**

Did you know...

- The Poultry and Rabbit Barn house over 1000 animals each year –exhibited by adults and children representing 4-H clubs and school FFA clubs from the entire Sheboygan County
- Last year alone, there were OVER 300 kids registered in the Sheboygan County 4-H Poultry, Rabbit and Cavies Projects.
- There are HUGE advantages to kids being involved in Poultry, Rabbit, or Cavies Projects:
  - o Relatively inexpensive
  - o All kids can participate – whether they live in town or in the country
  - o Captures the heart of both Younger and Older Youth and promotes working together
  - o Teaches LIFE SKILLS – Speaking & Presentation, Responsibility, Self-Motivation, Leadership, Planning & Organizing, Animal Husbandry, Problem Solving, and MANY more!

Despite loss of members in other animal projects, the Poultry, Rabbit and Cavies Projects have been increasing in numbers and involvement. Thanks to incredible volunteers who share their knowledge and skills, Sheboygan County exhibits some of the best birds and rabbits in the State. However... we are RUNNING OUT OF ROOM! Side lean-tos were added onto the original building (initially constructed in early 1970's), but now it is time to BUST OUT and add on to the main building in order to house the incoming flux of youth exhibitors.

The "Feathers to Fur" Committee, under the direction of the Sheboygan County 4-H Youth Development Program, is raising funds for the Poultry/Rabbit Barn Expansion. All donations needed for the expansion of this building will be turned over the Sheboygan County Fair Association.

4-H is a non-profit 501(c) organization to promote educational programs for Sheboygan County youth with hands on projects, activities, and events.

Sponsors will also receive the following benefits:

- Sign displayed at the Poultry/Rabbit Building with your name for 2 years after the project is completed.
  - o **Except Ultimate Emerald Sponsor in which the building will be RENAMED and will REMAIN on building.**
- Your name on the 4-H Website starting on the date the donation is received until the completion of the project.
- Recognition on the Sheboygan County 4-H Facebook Page.

## Club/Group Pledges

When your club pledges to contribute to the "From Feathers to Fur... We're Bustin' Out!" Building Expansion Campaign they are pledging to continue the legacy of this space, to enhancing the 4H experience for others, and to support their own members. Clubs are encouraged to identify their pledge amount on the form below and send this into the "From Feathers to Fur... We're Bustin' Out!" Building Expansion Campaign Committee (care of UWEX 4H).

Your pledge can be met in any way that your club see's best. You may want to hold a special fundraiser to earmark profits for this campaign. You may want to pledge to give \$10-\$20 per member currently enrolled in your club. You may want to pledge the total profits from our next county-wide Pizza sale to be earmarked for this pledge. The choice is entirely up to your members! If possible, the committee asks to have your pledge returned as soon as possible and would greatly appreciated if fulfilled by June 1, 2019. Please discuss these options with your club have an officer complete the following:
