

Staff Report
4-H Leaders Association Meeting
July 22, 2019

4-H Summer Camp was fantastic this year! We had 16 youth staff, 78 campers, and 9 adult volunteers attend Base Camp at Camp Lakotah. Thank you to the youth staff who put a lot of time into the planning and also to the adult volunteers who gave their time to chaperone and work with the youth staff. Outpost had 20 campers and 3 adult volunteers and they camped at Peninsula State Park for one night and the Door County Fair Park for two additional nights after storms flooded the tents. Thank you to the adult volunteers who helped plan and chaperone.

Cloverbud Day Camp will be on July 25th. The older youth are planning a fun time with a Mythical Creatures theme. Remember Cloverbuds and grades K-3 are welcome to attend and participate. It will be held here at the UW Extension office.

The end of **Financial Year Audit** will be due to the office by August 1st. Some clubs already have their reports turned in. Be sure to include information all of the lines, even if that amount is a zero. Also be sure to include all account info and those responsible for handling funds. Finally, your auditor should be someone **unrelated** to the treasurer or person completing the Financial Report. Remember, beginning balance *plus* total income *minus* total expenses should *equal* your ending balance.

Celebrity Servers at the 4-H Fair Foodstand is once again a go! We have confirmed serving times for several of our local celebrities including legislators, County Board Supervisors, past 4-H Agents, the Fairest of the Fair and more! If you know a local celebrity, please encourage them to sign up by calling our 4-H Summer Intern Amy Murre.

The **Fair Foodstand** is the largest fundraiser for the Sheboygan County 4-H Program and everyone is needed to make it a success. Enclosed in this month's crier you will find revised volunteer roles that you can be a part of including:

- Club Shift Leaders
- Crew Chief

The 2019 County Fair Food Stand Planning has begun! We have reviewed and revised the process for giving you and your club a positive, productive and fun experience at the Food Stand. We all need to work together to make it a success! If interested in a description of these positions, please call Linda at 459-5914.

The **Fair Foodstand Committee** has been meeting and they are looking forward to another successful year! There is going to be a Foodstand Coordinator meeting on Tuesday, August 13th at 6:30 pm. It's important to have representation from all of the clubs at this coordinator meeting so that everyone is on the same page. Cleaning the foodstand will be on the 13th as well, starting at 5:30. Also, a few changes to the menu this year! We will be offering big pretzles with cheese and trying out a dreamcicle shake (in replacement of the strawberry).

The **From Feathers to Fur Committee** has been meeting to raise funds to expand the Rabbit and Poultry Barn. They set a goal of \$30,000 and are just shy of \$20,000 raised (along with a few businesses offering In Kind donations). They are hopeful that by the 2020 fair, they will have more room for all of the animals!
