## From the President

**W**OW! Where has summer gone, before we know it will be Christmas! Wait a minute I am getting way ahead of myself here. We first have to get ready for the FAIR! Yes it is that time of year to see the youth projects, the animal shows from pigs, beef, dairy, horses, to chickens and rabbits, to sheep and goats. Of course we cannot forget about all the yummy food! Yes, its Labor Day weekend August 30, 2019 thru September 2, 2019 at the Sheboygan County Fair Grounds.

The Alumni Association is looking for new members to join our organization. It's a great way to meet new friends, talk about the 4-H history. Our membership dues are \$10.00 a year or a life time membership is \$175.00. Please consider joining our membership! Dues go toward the Scholarship fund. You may also contribute to our scholarship fund if you want to honor someone for Birthdays, Anniversary Funerals etc. There are forms in the newsletter for you to use giving the information.

We are also, looking for someone to join our board. We meet 6 or 7 times a year on the first Wednesday of the month. Meeting start at 6:30 p.m. There is a form attached to the newsletter or talk to one of the members of the board.

We will once again have our "Celebration Awards" Sunday, May 17, 2020 time 2:00 p.m. Please mark this date on your calendar. It is a great way to see what our youth has accomplished with the awards and Scholarships and most of all it is a great way to meet new people and talk about old times with people you haven't seen for awhile.

## Thank You! (continued)

**THANK YOU! THANK YOU! THANK YOU!**

**D**ear Alumni members & board:

I wanted to thank you so much for the big surprise at the Awards Celebration. I am so honored to have received the 2019 4-H Alumni Award. 4-H means a great deal to me. What a history it has, the great people associated with 4-H, the great kids in the organization and the great memories made from being involved. I have been involved with Sheboygan County 4-H for over 20 years. It all started when my son joined in 3<sup>rd</sup> grade like so many families. It is a family organization. The whole family participates and is rewarded with what 4-H has

to offer. You bond with your kids, leaders, neighbors, friends and strangers who later become new friends. They become lifelong friends. I was a general leader for 8 years and retired from that in 2008 or so. But the kids that were in my club as I was leader always says Hi to me in passing, give hugs when they are home visiting family & friends. 4-H is a great foundation for kids to stand on and learn life lessons.

Again thank you all so much for this great honor of receiving this award.

Thank you all so much for your support.

*Skeeter DeGross*  
2019 4-H Alumni Award Recipient

## Alumni Award Winner

**W**e are here to Celebrate a Friend on 4-H/Alumni member Marnietta DeGross. I bet most of you are going WHO? But if I say Skeeter that is a name we all are very familiar with. AKA: Skeeter.

Skeeter has been an Advocate for the 4-H for many years. First as a Mom/Leader, as a General Leader and County Leader and 4-H Alumni Member.

She was a General Leader of the Johnsonville Hustlers 4-H club for 8 years. While the General Leader she was a promoter of the various awards. She encouraged members to get the points they earned and apply them to the award levels. She wanted everyone to earn the Key Award. She encouraged all members to try for the county sponsored trips. At the club level she wanted everyone to excel.

She was also always working for the county and promoting the 4-H Causes. She helped with organizing the Awards program. She was the face at judging day when all 4-H members picked up project entry tags. She works the 4H office in the Youth building during the fair, answering all questions to the best of her knowledge.

She was a HUGE promoter of the 4-H Youth building at the fair. She took it upon herself to get sponsorship's and organized a very successful fundraiser for RAISE THE ROOF.

She created a Memorial for all leaders and members.

Skeeter has been very active with the 4-H Alumni as well. Serving not 1 but 2 terms. She continues to advocate for all 4H youth.

She is well deserving of this award for 2019. She is a leader we all admirer and wish we had the energy she shows.

Thank you Skeeter.

## Sheboygan County Fair

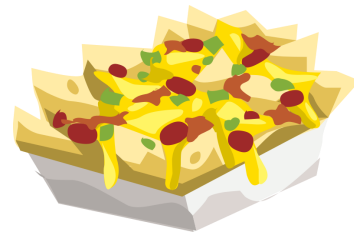

Looking back, I bet we all have some very fond memories that were made at the county fair! The county fair is a very important piece of the whole puzzle of 4-H. Remember how nervous and excited you were to take your beautifully crafted project to fair judging? Or, the hours upon hours you spent with your animal preparing them to show in the ring? You learned about responsibility, independence, problem solving and sportsmanship. Through the years you became skilled in talking with adults that were critiquing your project explaining why you deserve that blue ribbon. From there, you took a shift as "Building Watch" in the youth building, or "Barn Duty" by the animals. You talked with fair goers, grandparents, neighbors, and friends about why 4-H is so amazing. You even took a shift in the foodstand, serving up shakes on the cold side, or preparing baked potatoes on the hot side. Friendships were formed, customer service skills were honed, and you learned how hard work really does pay off.

Would you like to relive some of those fond 4-H memories?

We are looking for help in the foodstand on Friday, August 30th from 10:00-1:00 pm and Monday, September 2nd 4:00-7:00 pm. If you (and a friend) are interested in helping serve up some 4-H foodstand goodies, please contact Linda Robson at 920-459-5914 or [linda.robson@wisc.edu](mailto:linda.robson@wisc.edu) (Wouldn't it be fun to wear our OLD 4-H t-shirts too?)

Help is also needed with the Building Watch in the Youth Building during the fair. If you feel that you have an hour or two, and would like to bust out one of the sweet green vests and help answer 4-H questions, contact Linda Robson at 920-459-5914 or [linda.robson@wisc.edu](mailto:linda.robson@wisc.edu)
