From: Mike Liebelt, The American Legion, Sheboygan County Council
Sarah Tarjeson, 4-H Youth Development Educator, Extension, Sheboygan County

Date: January 15, 2020

Subject: Youth Government Day: April 15, 2020

This is a phenomenal program with an incredible first hand perspective of our county government and the services they provide! Please forward to your guidance counselors, government, history and social studies educators!

The American Legion, Sheboygan County Council along with **UW-Madison, Division of Extension** is once again sponsoring **Sheboygan County Youth Government Day** to begin at the Sheboygan County Courthouse, 615 N. 6th Street Sheboygan, on **Tuesday, April 15, 2020**. All of this is provided at no cost to you or your students.

*****New This Year***** This year we will be shifting our focus from solely a civic engagement program to an additional component of workforce development. Our new educational objectives of this experience include:

- Increase knowledge of the services, roles and responsibilities of Sheboygan County Departments.
- Increase knowledge of the county workforce and the postsecondary pathways to successfully enter county employment.
- Identify connections and develop trusting relationships with adults who provide bridging opportunities to community resources, leaders and employers.

The DRAFT Schedule is attached along with a registration form that each of your students will need to complete. The new schedule requires students to rank their choices for each session. Sessions will be assigned prior to the program.

Please plan to arrive to the Sheboygan County Courthouse by 8:15 a.m. This new schedule also includes transportation to Plymouth to engage with the Transportation Department, Rocky Knoll or The Planning and Conservation Department. Lunch will be provided at Rocky Knoll. All students will participate in a panel discussion and resource fair in the afternoon. A bus will return youth to Sheboygan by 2:30 p.m. Schools that need to return earlier should arrange for transportation from Rocky Knoll, N7135 Rocky Knoll Parkway in Plymouth departing at 2:00 p.m.

Please indicate your interest in attending with your students by contacting Sarah Tarjeson at sarah.tarjeson@wisc.edu or 920-459-5915 by March 1, 2020.
