

Dear 4-H Families;

By now you have received communication from Wisconsin 4-H regarding our efforts to implement social distancing to slow the progression of the Corona Virus in our communities. Our decisions are based on multiple sources and policies from several organizational standpoints including UW-Green Bay, UW-Madison, Division of Extension and our communities response.

UW Madison's policy requests that we cancel or postpone events between now and April 10th. More information can be found on this website: <https://4h.extension.wisc.edu/2020/03/12/wisconsin-4-h-and-covid-19-response/>

All 4-H Club/Committee/Group meetings that anticipate 50 or more people (youth, parents, volunteers etc) must cancel or reschedule these meetings after April 10th. Be aware that this date may be extended.

UWGB's policy requests that no meetings/events happen on campus until after March 28th, when they will re-evaluate the situation.

**Here is our response through Aprils 10th (with the possibility of an extension):**

**Zoom online meetings:**

Extension staff and volunteers across the state have been using zoom for over a year to convene people conveniently. We are likely to utilize Zoom more frequently in the future (regardless of novel COVID-19). It might help to check out the following two videos to increase your comfort with this technology. To schedule any of your meeting opportunities via Zoom, please contact Sarah Tarjeson or Linda Robson. We'd love to help! Zoom is available via your smartphone, laptop, tablet or even via a phone line.
