### End of Year 4-H Non-Animal Project Judging

4-H Non-Animal Project Judging/Reflection  
\*\*\*Pending UW-Madison, Extension Approval\*\*\*

The Sheboygan County 4-H Program will be offering an opportunity for members to showcase and reflect on all typical non-animal project exhibits. This Drive-up Face-to-Face opportunity will take place on Monday, August 24th at the Sheboygan County Fairgrounds near the grandstand starting at 3:00 p.m. through 7:00 p.m.

Members will exhibit any non-animal project that they entered into the Sheboygan County Fair Online System or by email or mail with a Paper Entry Form by July 31, 2020. Cloverbuds will be judged by older youth leaders on this same day and in the same format. Members will only be allowed to exhibit projects that they can carry themselves from a nearby parking area to the judges table. Please consider this requirement when selecting projects to actually exhibit.

Families will sign-up for times in which their members can participate. No more than 6 youth will be allowed at the event at one time (one per table and one on standby). Please pay close attention to the times for which you are registered. Do not arrive early, and plan to depart immediately after projects are judged, photos are taken and your family members are done.

"Judges" will be volunteers from our program and community. Each judge will work with one exhibitor at a time; they will review all projects that this exhibitor has completed regardless of the project area. Your judge may not have expertise in every project area. Judges are primarily present to help your exhibitor reflect on what was learned, determine growth, and critique overall presentation of each project.

These instructions, additional details and sign-ups will be promoted in the upcoming week. Stay Tuned!

### Disc Golf Tournament!!!

Youth Leadership Council is holding a disc golf tournament at Camp Riversite from July 24th until August 14th. There will be individual and team awards. There are four categories for individuals. Ages 5-7, 8-10, 11-14 and 15-18. The top three scores in each category will get an award. The teams will be made up of three people and the top three teams will get an award. For teams, the scores will be added together. Scorecards are available at Camp Riversite along with regular frisbees. Feel free to bring your own discs to use. Please email a picture of your scorecard to [nancy.brown@wisc.edu](mailto:nancy.brown@wisc.edu) no later than August 14th. Make sure to legibly put your name and age on your scorecard.

### WI 4-H Virtual Learning Community

WI 4-H Virtual Learning Community

UW-Madison Extension's Positive Youth Development Institute is working to create a Virtual Learning Community during the summer of 2020 to provide quality educational activities online that youth, volunteers, and staff can participate in. These activities cover a wide variety of topic areas and methods of delivery. We want to make sure that anyone who wants to find something engaging, educational, and fun online is able to do so easily. The Virtual Learning Community is set to run our Summer of Activities from July 1-August 31, and we will use this experience beyond the summer to bring more high quality virtual programming to youth, volunteers, and Extension staff across Wisconsin!

#### VLC Calendar of Activities

The Calendar used for the Virtual Learning Community is available for anyone to view through TeamUp. You can find the calendar of activities here: [Summer Activities Calendar](#). TeamUp allows visitors to sort the calendar by activity type and age group. You will find a wide variety of activities available to you for the summer. Check back with the calendar often as new activities are added regularly as they are approved. You can find information on each activity and registration information if you click on each calendar item. TeamUp is also available as a free app for your smartphone! Special thank you to TeamUp for their free premium subscription for the summer as the PYD Institute works on online learning.
