Campus/Office Update

An Update from UW Green Bay, Sheboygan Campus and our Extension office.

Campus is going to remain in the same mode they have been since July 1st; open only to staff and faculty and individual students, members, and volunteers by appointment.

Starting on Aug. 24th, will resume campus hours of 7am-10pm M-Th and 7am - 5pm on Fridays. Weekends will be closed as we were prior to COVID-19.

Campus will not be open to the "general public" (those not enrolled in any type of class or not having an appointment with a staff member) until after Jan. 1, 2021. This decision is being reviewed on Oct. 1, 2020.

UWGB is assessing classroom capacities based on having a 6ft distance from any students while they seated. For most classrooms, this equates to a capacity of about 20% of pre-COVID levels.

Masks will be required for anyone that is on campus.

The Extension Drop-box is checked several times each week and is still a good method to deliver paperwork and other information to staff.

What does this mean for our Extension office? When/if we get the green light to go back to the office, we will only be able to meet one on one with volunteers or visitors and they will need to have appointments. There will not be any group meetings held on campus through the rest of 2020 unless something changes.

YLC Disc Golf Tournament

Youth Leadership Council is holding a disc golf tournament at Camp Riversite from July 24th until August 14th. Awards will be given to the top 3 individuals and teams! There are four categories for individuals. Ages 5-7, 8-10, 11-14 and 15-18. Teams are made up of three people and the scores of each team member will be added together for a total score. Scorecards are available at Camp Riversite along with regular frisbees. Feel free to bring your own discs to use. Please email a picture of your scorecard to nancy.brown@wisc.edu no later than August 14th. Make sure to legibly put your name and age on your scorecard.

Charter Updates

Updated Charter Application Now Posted

We now have permission to accept electronic (typed) signatures on the 2020-21 Charter Applications. We hope that this modification will simplify the renewal process for 4-H volunteers and 4-H members. Please know that we will accept this new version of the 4-H Charter Application along with previous versions.

4-H Charter Renewal Completion Checklist

In addition to the updated 4-H Charter Application, we have also updated and the 4-H Charter Application Checklist. This new resource replaces the checklist for volunteers and the checklist for staff into one simplified form. The Charter Renewal Completion Checklist is not required, but an optional tool to help volunteers and staff with the renewal process.

The updated versions of the Charter Application and the Checklist can be found of the Wisconsin 4-H Charters webpage: <https://fyi.extension.wisc.edu/wi4hvunteers/clubs-and-groups/charters/>
