ALL NEW 4-H CLUB BOOTHS/WINDOW DISPLAYS

Displayed during National 4-H Week
October 4-10, 2020

This year we are taking your 4-H Club Booths on the road to some of our fine local businesses where they can be viewed and judged right where they are displayed. All booths should be planned with flexibility to meet the specifications of the business location. Some may need to be adapted to a storefront or business space as you go.

In addition to the regular criteria for an interactive display, visual appeal and informative content; the selection of your business and the business location will be an important factor in the club booth judging process. After all, the key to spreading the word about 4-H is location, location, location when it comes to marketing!

You must make contact with the store/business owner prior to registering your club. If you already signed up for a "Club Booth" please complete this form again so we can capture the location of your booth/display. All displays must be set up by Opening Hours Monday, October 5th and remain in place through Closing Hours on Friday October 9th. Of course they can stay up longer if that is approved. Judging will take place at various times throughout this work week.

In order to participate in the ALL NEW 4-H Club Booth Contest please complete this [reservation form](#).

4-H: Welcome to Our House! 2020 4-H Virtual Open House October 4-10, 2020

This year's theme for our 2020 Virtual Open House Weeklong Event is Welcome to Our House. We will be revealing an interactive web-based landing page with a boatload of 4-H Information, Videos, and Activities. This page will launch and be promoted throughout National 4-H Week October 4-10, 2020.

I NEED YOUR HELP!

First, please encourage your club leader or older youth leader to complete the Club Profile Form <https://counties.extension.wisc.edu/sheboygan/files/2020/09/Sheboygan-County-4H-Club-Profile.pdf>. This information will be featured for your club on our 4-H Club Page. It is intended to be an attention grabbing, information sharing, scrolling billboard of what your club is all about! What do your members do, what are your popular projects, what makes your club unique, why would I want to join? Please take 5-10 minutes to make this profile pop and sell your 4-H Club Experience!

Second, if your club leaders or members could put together a 30 second video to promote your club, project or other aspect of 4-H. I'd love to be able to use these throughout the Virtual Open House Space. I will be contacting some of you to do a brief interview explaining some things about 4-H – but your initiative and enthusiasm is what draws people in. Please consider supporting this "Open House" experience in this way! If you want to help, but don't know how to do a video, let me know and I can help!

Finally, the 4-H Program will have Open Office Hours throughout National 4-H Week from 11:30 a.m. to 12:30 p.m. and 6:00 p.m. - 7:00 p.m. each day of the week. If you would like to help "man" these office hours, I would certainly appreciate your support. I will try to log on to each one, but people dropping in want more than just my work for it! Let me know if you are available for any of these times!

Once again you can always call on me at 920-459-5915 or e-mail me at sarah.tarjeson@wisc.edu.
