### 4-H Online 2.0 FAQs From Nancy

Thank you all for being so patient with me as I work through filing taxes and uploading charters. I have learned a few things inbetween that may help with some of the questions I have been getting. I should have all the charter work done by the end of next week and enrollment can be my main focus.

- Q: Why can't I change my birth date? I'm not really 101 years old!
- A: It is set that way by the developer. Apparently I can change it. I haven't tried that yet.
- Q: Why did you send back my enrollment:
- A: I have been putting explanations in the message box, but I've been told they sometimes don't come through. I also try to send an email. Most likely you need to add a project or club choice. If you are unsure, please contact me and I will be glad to help you.
- Q: What leader type do I need to select?
- A: It doesn't really matter UNLESS you are a general leader.
- Q: I'm a general leader. How can I get a roster and/or know what projects my kids are in?
- A: I will likely have to run reports for you. When I get members and leaders confirmed, I can send out passwords to general leaders and they should at least be able to get a roster.
- Q: I can't move forward in my enrollment.
- A: Double check if you answered all the questions/filled in all the blanks and see if you can move on. Maybe log out and log back in? Clear your cache?
- Q: I'm a general leader. How do I approve my members?
- A: You will not be doing that in 2.0. I do all the approving. I know this may be frustrating.
- Q: I have some special challenges enrolling and I think you usually do it for me.
- A: You will have to fill out a paper enrollment form for me to upload to the website. I will try to contact everyone on my list. You know who you are. ;)

### Winter Leadership Camp Survey

With the COVID-19 pandemic, Winter Leadership Camp is going to look different this year. We're starting to plan Winter Leadership Camp 2021 and our team is looking for some feedback from potential participants regarding the camp. If you have youth in grade 6+ in your family, can you please take five minutes and answer some questions in a short survey <https://forms.gle/xywwDWxK21vmnixs8> to help with the planning process? Please complete the survey by November 11. Thanks in advance for your help!

### Holiday in the Woods...at 4-H Camp Riversite

The Holiday in the Woods event is on for this year and we will be holding the mini tree decorating contest again! The date is December 18th from 6-8 pm. We'd love to have your

club participate and we're excited to see the amazing decorations you come up with this year!

\* Guidelines are as follows:

- Clubs should nominate one family to decorate the tree
- Theme must be somehow related to nature
- Lights are not included; if you use lights please bring an extension cord to the event
- You may not permanently alter the appearance of the tree (i.e. spray snow, cutting branches)
- Trees will be set up the night of the event by a member of your club and decorations removed by a member, as well. If the tree is taken along it must be returned promptly
- Individuals and families may not enter independently.

Stay tuned to future issues of the Cloverleaf Crier for more information on this fun event!
