

Speed Clinic Entry Form
Sheboygan County 4-H Horse & Pony Project
Thursday June 10th, 2021
Plymouth Fairgrounds 8am – 3:30pm

Clinician: Trent Scott

Trent Scott from Greenleaf, WI has been riding and showing horses before preschool. Growing up in a family of horsemen, Trent grew up competing in many disciplines including western pleasure, horsemanship, Hunters, dressage, team roping, calf roping, barrel racing and pole bending. Trent is a 4-H & FFA alumni and a graduate of Murray State University. Trent is very active in the equine industry and still competes in team roping and barrel racing. He enjoys teaching and helping others in the industry so they can successfully enhance their relationship with their equine partners. What stands Trent apart is his natural ability to provide his students with an understanding of not just the "how to," but give them a comprehensive view of the mechanical and biological reasons "why" those lessons create success for the horse/rider team.
