Beef Education Meeting 2021

Attention all Sheboygan County Beef Livestock members. Our first beef educational meeting will be held April 6th, 2021 via ZOOM starting at 6:30 PM. We have the honor of having Miles Toenyes who works for Show-rite Feeds. Miles grew up in Highland, Illinois, with a production background in small livestock, where he discovered his love for working with livestock. In his youth, Miles was running jackpot circuits every weekend and following the state fair and national show scene, which allowed him to gain a wealth of knowledge about the show ring.

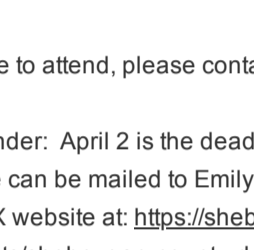

After completing a very successful youth show career, Miles attended Lakeland Junior College and began his livestock judging career. He then transferred to Western Illinois University (WIU). He majored in agricultural business at both schools and competed nationally on both livestock judging teams. Miles also coached WIU's livestock judging team in addition to actively competing.

Today, he can often be found standing in the middle of the ring. Miles judges many different species shows across the nation at various events, from county to national levels.

We ask that you come prepared to ask him some questions!

Sheboygan County is inviting you to a scheduled Zoom meeting.

Blue Ribbon Livestock Camp

Please note: We are sharing this on behalf of our community partner. This is not a 4-H or UW- Extension-sponsored event. It sounds like a fun opportunity to learn even more about your livestock projects from a community group. All questions about the program, registration, accommodations, safety procedures, and other information should be directed to their organization. This has not been approved by the Sheboygan County Meat Animal Sale Committee as an accepted meeting requirement. However, you may contact them individually before attending for permission for this event to meet one of your meeting requirements.

WISCONSIN 4-H HALL OF FAME

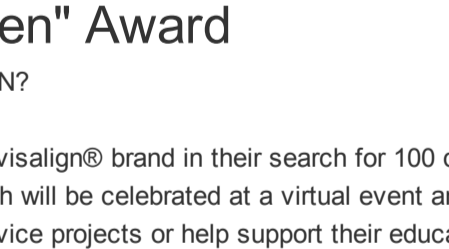

We need your help in nominating prospective honorees for induction into the 2021 Wisconsin 4-H Hall of Fame. Give some thought to who you would like to honor and talk to others to get the ball rolling in your county! You will find the nomination form attached. Review the criteria and enlist any help you may need in writing up a nomination or talk to your agent and set out on your own. The deadline for receiving nominations is May 20, 2021.

If you have nominated someone in the past and they were not selected to be inducted, it is fine to submit them again, but you must refresh the nomination, carefully considering the criteria. Laureates will be notified in late June if they have been selected for induction next fall. Thank you for your help in finding those special 4-H people to receive this honor!
