Wisconsin 4-H COVID-19 Recommendations

Effective June 2, all fully vaccinated Wisconsin 4-H staff, volunteers and participants are no longer required to wear masks during programs. We ask that individuals who are not fully vaccinated, including youth under 12, continue to wear masks. Staff and volunteers will not enforce mask wearing or ask for proof of vaccination for those not wearing masks. Masks may still be worn if preferred and individual masking choices should not be interpreted as an indicator of vaccination status.

Outdoors: Physical distance is no longer required outdoors for vaccinated people. Individuals who are not vaccinated should maintain 6 feet physical distanced. If physical distance is not possible, wear a face covering.

Indoors: There are no group size limits on indoor gatherings as long as a minimum of 6 feet of physical distancing is able to maintained, regardless of vaccination status.

Transportation: Any individual who is not vaccinated should wear a face covering when driving or riding with others. Vehicle occupancy is recommended to be no more than 50 percent of capacity when travelling with an unvaccinated individual(s). This updated policy applies to all Wisconsin 4-H programs including overnight programs, 4-H programs at county fairs and food stands. As a reminder, Wisconsin 4-H staff, volunteers and participants should continue to follow your local public health guidance.

Youth Mental Health First Aid

Another opportunity we have going on is Saturday, September 25th we are hosting a Youth Mental Health First Aid Training that Megan is helping to put on. It is open to any 4-H volunteer or Extension staff members who may be interested in participating. It will be at the Calumet County Courthouse 8:30am-3:30pm. The training is free, and we ask participants to bring their own lunch. Due to the uncertainty of the Covid guidelines, we are following the 50% room capacity protocol limiting the number of participants to 34 for now. It's a great opportunity for 4-H members and Alumni members throughout the county to get to know one another in a safe, friendly and competitive environment. 4-H Youth Building Display Volunteers

The Youth Building Display at the Sheboygan County Fair is known for its creative presentation and spectacular eye-appeal. Creating a first-rate 4-H Display is no easy task! It's a BIG JOB that takes a lot of "People Power!" So, rev up those creative juices, build up those muscles and join the team! **WE NEED YOUTH and ADULT VOLUNTEERS.** We would like to request every 4-H club to please identify at least two adults and two youth (12 and older) to help with part of this year's display. Of course, the more help, the merrier!! It would also be great if those volunteers that help create the display, would also consider helping with Exhibit Release on September 6th. The individuals that help create the display will be familiar with the items used in the display and the location of exhibits, which will make the release run more smoothly and efficiently. Please indicate which shifts you will be able to work. Wednesday (8/25) & Thursday (8/26) are sorting and displaying, as well as moving things around. Wednesday (9/1) is the Second Judging Day, we will need volunteers to help place items in the displays and make sure everything looks great for the Fair. Monday (9/6) is Exhibit Release. Volunteers are needed to help 4Hers find and check-out their projects. Please use this link to sign up: <https://forms.gle/sQkKC28Fv3inLWj7> prior to August 1.
