

Points to Remember

Please return the registration form at least 10 business days before the class you wish to attend.

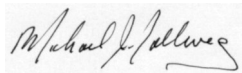

Plan to stop by the Extension Office and pick-up the manual if possible. (We must have payment in hand.)

Things to Bring to the Exam:

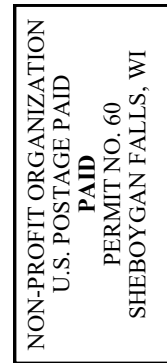

- **Photo ID.** Bring your photo ID. A driver's license works well.
- **Social Security number.** Federal and State law require this number from anyone who is seeking a state certification or license.
- **Your training manual.** Complete the training Registration Form that immediately follows the front cover of the manual.
- **Calculator.** You may use a calculator for the exam. However, cell phone calculators, programmable calculators, or those with alphabet keypads are not permitted. This is an open-book test and you will be able to use the manual during the exam.
- Masks are required in all university buildings..

Questions, please let us know. (920) 459-5904.

2022 PESTICIDE CERTIFICATION

FOR PRIVATE APPLICATORS

Conducted by:
Extension Sheboygan County
in cooperation with
Department of Agriculture, Trade
and Consumer Protection.

University of Wisconsin-Madison Division of Extension Sheboygan County
5 University Drive, Sheboygan, WI 53081
(920) 459-5904 / (Wisconsin Relay) 711

2022 PESTICIDE CERTIFICATION FOR PRIVATE APPLICATORS

Who Should Attend?

All private applicators who require re-certification or individuals who wish to become certified for the first time should attend. DATCP certification extensions due to Covid-19 expire on December 31, 2021.

Certification is required for all private applicators who purchase or use “Restricted Use Pesticides.” Because of the new Worker Protection Standard, employers may want to have employees who handle pesticides also become certified.

Classes will be held on the UW-Green Bay Sheboygan Campus.

Extension Sheboygan County is located on the east side of campus.

Please give us a call for directions (459-5904) or visit our website at: <https://sheboygan.extension.wisc.edu>
