

Ranch Riding Clinic

with Kaitlyn Yeadon

Thursday - June 22, 2023 9AM - 3PM

Come sharpen your skills or try something new with the ranch riding clinic presented by Kaitlyn Yeadon at the Sheboygan County Fairgrounds. Kaitlyn is certainly not a stranger to ranch riding as she has been participating in clinic and shows throughout the area. She is going to walk through what ranch riding is and what is expected of the horse and rider. Kaitlyn is a 4-H alumni and continues to work with horses and youth from all around the area. Come see what all the talk is about around ranch riding, learn some new skills, meet some new people, and have a great experience.

Please register for this clinic by June 20th by completing the clinic's registration form and returning it to Wendy Krueger, Amy Wallner or emailing it to schp@gmail.com.
