

# WHAT THE JUDGE SEES CLINIC

WITH DAWN BRANDOW

**SUNDAY, JULY 9, 2023 9AM -3PM**

This clinic will include discussion of that the class will be judges on, what to wear, how to fit the horse, tack, etc. and then run a "mock" class and talk through the class. The judge will provide some individual critiquing along with group discussion. Classes will include (Western & English) Showmanship, Equitation, Horsemanship and if time permits will go into other topics.

We are so excited to have our 2023 fair judge, Dawn Brandow come and provide a clinic that is not only going to help you get ready for the fair but help teach you how to prepare for a class. Dawn is no stranger to Sheboygan County she has judged our fair in prior years and has offered excellent feedback to the youth. Dawn holds judge's cards in WIHA, WHC and has her 4-H card and loves working with the youth. Don't miss out on this opportunity.

Sessions will be broken out by the level of rider/exhibitor but will be going back and forth between the different levels to give horse and rider a moment to switch gear as needed. We also encourage auditing other sessions when not in the ring to provide additional knowledge and experience.

Please sign up for the Clinic by **July 5th** so we can have a count of how many will be attending. Contact Wendy Krueger with questions.
