Welcome!

This booklet is designed to help you make the most of your 4-H Poultry Project this year.

In it you will find the latest requirements for entering your project at the Sheboygan Country Fair and also information on the Blue Ribbon Small Animal Auction. A scholarship is also offered by the Committee for graduating members who have been enrolled in the Poultry, Goat or Rabbit project for minimum of two years.

Blue Ribbon Small Animal Auction Sale

GOATS:	Dept. 5,	Class N ,	Lots 25-34
CAVIES:	Dept. 8,	Class ZG,	Lots 12-15
RABBITS:	Dept. 8,	Class BB,	Lots 30-50
POULTRY:	Dept. 7,	Class O,	Lots 250-269

Objectives:

1. To provide Junior Fair exhibitors an opportunity to sell top quality animals at the Sheboygan County Fair.
2. To provide incentive and encourage a stronger cavy, goat, poultry, and rabbit project.
3. To recognize members who do quality work in breeding, selecting, feeding, and showing their animals.

What will be offered:

1. Animals to be sold at auction will be only **BLUE RIBBON** entries as described in the Sheboygan County Fair paper. Only one blue ribbon entry in each lot will be selected to be auctioned.
1. All goat, rabbit and cavy entries must be born January 1st or after of that fair year. The goat may be a doe or a wether. Rabbits and cavies may be male or female.
2. All animals receiving blues must be sold if sale eligible.
3. Enter your animal in the **Blue Ribbon Animal Auction** class only if you intend for it to be sold.

When is the sale?

1. The Blue Ribbon Small Animal Auction will be held on Monday in the coliseum at noon.

Who can buy?

1. Anyone interested in encouraging youth participation.
2. Anyone who enjoys and appreciates good quality animals.
3. Anyone who would gain beneficial advertising value.

Sale Provisions:

1. Potential bidders are to register at the sales ring (no obligation) (Labor Day) at noon in the Coliseum.
2. Animal weights will not be provided except for poultry. Bidding will be based on an entry basis.
3. All sales participants must present their own animal for the initial sale and for the resale, should it occur. Participants must remain in the sale arena throughout the entire sale. Failure to follow any of the rules will result in seller being barred from the sale the next year. Seller will receive auction money. If it happens a second time seller will be barred from the sale the remainder of seller's 4-H/FFA career. A committee member will present the animal if the seller is not present.
4. Exhibitors are encouraged to find their own bidders for the sale.
5. Animals must be owned by the exhibitor or his/her family.
6. All entries must be drug free.
7. Goat exhibitors must provide a collar for their animal.
8. Exhibitors are expected to dress appropriately.

Special requirements:

1. Entries are open to registered and enrolled 4-H and FFA members of Sheboygan County.
2. Make entries on regular county fair entry blank under BLUE RIBBON ANIMAL AUCTION class as noted in fair paper.
3. Exhibitors may enter a maximum of two (2) entries in the Blue Ribbon Classes per project, but each in a different lot. If more than one (1) entry receives the top blue ribbon in their lot, the exhibitor must choose which one they want to sell. Only one (1) animal can be sold per exhibitor in the Blue Ribbon Auction.
4. Sale will be conducted by the Sheboygan County 4-H Blue Ribbon Small Animal Auction Committee. A 12% charge will be deducted from the sale to cover committee expenses such as advertising and sale promotions.
5. All sold animals will be released at time of sale to buyer.
6. After the sale, all sellers will receive a copy of the purchase agreement. Please see your project superintendent.
7. Exhibitors will be given two (2) weeks after the fair for the committee and the buyer to receive thank you notes. If no thank you note is received exhibitor will be barred from the sale for the next year. Exhibitor will receive their auction

money. If a thank you note is not received a second time, exhibitor will be barred from the sale the remainder of the exhibitor's 4-H/FFA career.

8. Animals donated back by the buyer will be resold only once and at the end of the auction. Proceeds will go to the Blue Ribbon Small Animal Auction Treasury.

9. Unsportsmanlike or other inappropriate conduct by the exhibitor or parents will not be tolerated. The Blue Ribbon Committee reserves the right to refuse participation in the sale by individuals not conducting themselves in the appropriate manner.

10. In order to be eligible for the Blue Ribbon Auction, **ALL** project members must participate in a minimum of at least one (1) countywide project meeting in each of their respective projects (rabbits, covies, goats and poultry). Read the Cloverleaf Crier for information on various activities.

11. If an exhibitor wishes to enter in the Blue Ribbon Sale, at least one (1) additional animal must be shown in a breed class.

12. **BLUE RIBBON AUCTION PARTICIPANTS ARE REQUIRED TO DO SHOWMANSHIP IN ORDER TO SELL AT THE SALE. YOU MUST ENTER SHOWMANSHIP ON YOUR FAIR ENTRY FORM.**

13. Seller is responsible for making arrangements with buyer for transfer of animal after sale.
