

ABOUT EXTENSION

The educational programs of Extension Sheboygan County and its staff are the result of a partnership between Sheboygan County, the University of Wisconsin, and the U.S. Department of Agriculture.

The objective of that partnership is to use the knowledge and research of the University of Wisconsin to meet the educational needs of Sheboygan County residents through the efforts of University of Wisconsin-Madison Extension faculty members.

Mission: Helping the people of Wisconsin and Sheboygan County apply University research, knowledge, and resources to meet their educational needs wherever they live and work.

Extension focuses on five areas:

- 4-H Youth Development
- Agriculture and Natural Resources
- Community, Natural Resources & Economic Development
- Human Development and Relationships
- FoodWise
