1. Please attach the following documentation:

a. **All Applications:**

- i. The scholarship award is based on a personal narrative. **This narrative holds the most weight in your entire application package.** Tell us how you will use your education/career to benefit agriculture. Please be specific, imagine if you could change the world of agriculture in your career, what would you do??? For example, simply telling what a veterinarian does is not enough; but you want to be a large animal vet working specifically on herd health or disease management. It's OK to dream a little.

b. **Traditional Students** (attending college directly after high school)

- i. Complete high school or post-high school scholastic records/transcript to date
- ii. Letter of recommendation from an instructor or equivalent.

c. **Non-Traditional Students** (did not attend college directly from high school or graduate degree)

- i. Complete post-high school scholastic records/transcript to date (preferred), or resume/CV.
- ii. Letter of recommendation from an instructor or colleague.

2. Are you related to any club members? Yes \_\_\_\_\_ No \_\_\_\_\_
